

## Post-Doctoral Fellowship in Computer Vision

Robotics and Computer Vision Lab  
Dept. Electrical and Computer Engineering  
Queen's University, Kingston, Ontario, Canada

A Postdoctoral Fellowship is available in the Robotics and Computer Vision Lab (RCVLab) in the Department of Electrical and Computer Engineering at Queen's University. The position will be under the supervision of Prof. Michael Greenspan, and is available for one year, with the potential for an additional year's extension.

The candidate will have a demonstrated background and expertise in Computer Vision, ideally with expertise in 3D vision. Applicants are expected to have finished, or be close to finishing, their PhD degrees. The salary for this position is competitive and the anticipated start date is August 1, 2017, with some flexibility.

The Postdoctoral Fellow appointed to this position will be actively involved in all aspects of the RCVLab and Dr. Greenspan's research group, including project supervision and management, research development, co-publication, collaboration in developing initiatives. There is also the possibility to be involved in course instruction.

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation, please contact: Grier Owen, ECE, at [grier.owen@queensu.ca](mailto:grier.owen@queensu.ca) or phone number 613-533-6078.

Queen's University is committed to employment equity and diversity in the workplace, and welcomes applications from women, visible minorities, Aboriginal peoples, persons with disabilities, and LGBTQ persons. All qualified candidates are encouraged to apply; however, Canadian citizens and Permanent Residents will be given priority.

More information about Dr. Greenspan's research is available at:

<http://rcvlab.ece.queensu.ca>

Applicants should email a c.v. to [michael.greenspan@queensu.ca](mailto:michael.greenspan@queensu.ca) with "PDF Application" in the subject line.
